

Caring for the Stroke Patient in Hospice

An Education Resource for Hospice Aides

March 13, 2012
3:00pm – 4:00pm
Teleconference

Enjoy the convenience and cost efficiency of a telephone workshop. There is no limit to the number of attendees who may listen in on one phone line using a speaker phone. You will receive a toll free number and password along with the handouts prior to the teleconference.

Teleconference Fee:

\$139 for HCA Members

\$199 for Non-Members

Deadline to Register is March 6

About the Presenter:
Cindy R. Morgan, RN, MSN, CHC. is a certified trainer in coaching supervision and has worked in various director level positions in Home Care and Hospice. Her background is in education and staff development.

The Stroke patient and family may present us with many challenges during the end of life period. This presentation will focus on some of the challenges we face as Hospice Aides when dealing with the stroke patient. We will discuss case scenarios related to possible situations you may encounter in your work along with strategies that may be useful.

Registration: Registration fees are per phone line used. If you prefer a CD rather than the live presentation, the cost is the same. Please indicate your choice. The CD includes the handout.

I would prefer: Live Presentation CD Presentation
